

1st ANNOUNCEMENT OF FMS 2022

6th International Symposium on Frontiers in Materials Science

Phu Quoc Island, Viet Nam, November 28–30th, 2022

OVERVIEW

It is our great pleasure to announce that the [6th International Symposium on Frontiers in Materials Science \(FMS 2022\)](#) will be held in Phu Quoc Island, Vietnam, from [28 to 30th November 2022](#).

This event continues on a delayed FMS2021 (Hsin-chu, Taiwan, 2021) due to Covid-19 and covers as usual a broad range of research activities in all areas of modern materials science.

MAIN SUBJECT CATEGORIES

- Photonics and nanostructured hybrid materials**
- Multiferroics and nanostructured materials**
- Materials for green energy and environment**
- THz materials and devices**
- Sensors and nano-devices**
- Colloids, polymers, catalysts, nano-bio systems**
- Theoretical and computational materials science**
- 2D materials and its related applications**
- Topological materials**
- Nonlinear optical materials**
- Spintronic Materials**

PUBLICATION

Selected contributions will be subjected for regular reviews processes and accepted manuscripts will be published in the SCI (Q1, Q2) journals (**Optical Materials** / **Materials Transactions**). Proceedings will be published by **AIP Conference Proceedings 2022**.

EXHIBITION

An exhibition of equipment, services, software, materials, journals and books will be held as a part of this Joint Symposium. Individuals and organizations who are interested in purchasing booth space should contact Secretary of Symposium fms2022@gmail.com.

LETTERS OF INVITATION

The PDF files of letters of invitation will be sent to the registered email addresses one month before the Symposium

opening date. Please send your request to fms2022@gmail.com in case you need a hardcopy of the letter.

VISA

Most European countries, USA, Canada, Japan, Korea, Taiwan do not visa to enter Vietnam for short period, but support from Symposium Secretary is provided in case of the rest countries where visa requests are needed, please contact the Symposium Secretary at fms2022@gmail.com.

HOTEL

The Symposium Secretary can provide the assistance in hotel booking, please contact: fms2022@gmail.com as soon as possible.

TOURS

The guidance for booking tours will be available later, however the participants can contact the Symposium Secretary for more information at fms2022@gmail.com.

SUPPORTS AND FEES

Supports and fees policy for students, retired scientists and mothers in care of their children will be decided later.

COVID-19 IMPORTANT NOTE

Phu Quoc, located in a most south of Viet Nam as a isolated island, is going to be opened for all tourists from US, Europe, Japan, Korea, Taiwan, Singapore etc. without restriction and no quarantine applied, providing that the attendees are having two shots of anti-Covid vaccines (Pfizer, Astra-Zeneca, VeroCell, Sputnik, Abdala...). At recent time no PCR testing is needed. Please contact the Symposium Secretary at fms2022@gmail.com for the updates.

Important dates

Abstract submissions open:	Jul 1, 2022
Abstract deadline:	August 31, 2022
Manuscript submissions open:	October 1, 2022
Manuscript deadline:	October 31, 2022
