

International Symposium on Frontiers in Materials Science

A two year series international symposium

1st IS FMS 2013, VNU-Hanoi University of Engineering and Technology, Hanoi, Vietnam

<https://www.uet.edu.vn/fms2013>

IEEE Transactions on Magnetism Volume 50, Issue 6, June 2014

40 articles

<https://ieeexplore.ieee.org/abstract/document/6832815>

2nd IS FMS 2015 Waseda University, Tokyo, Japan

<http://www.cms.sci.waseda.ac.jp/fms2015/>

Publication:

J. Appl. Phys. 20, 142001 (2016)

27 articles

<https://aip.scitation.org/doi/10.1063/1.4961725>

AIP Conference Proceedings Volume 1763, Aug 26, 2016. ISBN: 978-0-7354-1421-1

28 articles

<https://aip.scitation.org/toc/apc/1763/1?size=all&expanded=1763>

3rd IS FMS2016 Hanoi University of Education, Hanoi, Vietnam

<http://phys.hnue.edu.vn/fms2016/>

Physica B Volume 532, Pages 1-230 (1 March 2018)

43 articles

<https://www.sciencedirect.com/journal/physica-b-condensed-matter/vol/532/suppl/C>

4th IS FMS2017 Greifswald University, Greifswald, Germany

<https://physik.uni-greifswald.de/en/research-groups/interface-and-surface-physics-prof-markus-muenzenberg/news-and-views/workshops-conferences/fms2017/>

Materials Transactions Volume 59 Issue 7 (2018) 1013

Standalone special issue on Nanostructured Functional Materials and Their Applications II

37 articles

https://www.jstage.jst.go.jp/browse/matertrans/59/7/_contents/-char/en

International Symposium on Frontiers in Materials Science

A five year series international workshop

NANOMATA 2009, VNU-Hanoi University of Engineering and Technology, Hanoi, Vietnam

<http://coltech.vnu.edu.vn/nanomata2009>

NANOMATA 2014, VNU-Hanoi University of Engineering and Technology, Hanoi, Vietnam

<http://uet.vnu.edu.vn/nanomata2014/>

Materials Transactions Volume 56 Issue 9 (2015) 1135

Special issue on Nanostructured Functional Materials and Their Applications I

40 articles

https://www.jstage.jst.go.jp/article/matertrans/56/9/56_MPR2015904/_article/-char/en

215 publications in total in 2014-2018 period
